

WIDE OPEN THERE.

(The Labor Union of Chicago have purchased a Cemetery where only members of the Union may be buried.—*News Item.*)

All his life in a Union shop
He'd daily earned his bread;
They buried him in a Union grave
When the Union man was dead.

He had a Union doctor,
And he had a Union nurse;
He had a Union coffin,
And he had a Union hearse.

They put him in a Union grave
When he was good and dead;
They put a Union monument
Just above his head.

And then he went to heaven,
But to stay he didn't care;
He kicked because he said that some
Non-Union men were there.

He went down to the other place,
And there produced his card;
Then Satan threw an earnest face
And studied good and hard.

And then he laughed, his hands did rub
Till he thought he'd never stop.
"Lord bless your soul," said Beelzebub,
"Why, this is an Open Shop!"

Beautiful Beechwood.

Notwithstanding the very cool weather, a good sized crowd attended the opening of "Beautiful Beechwood" last evening, and the appearance of grounds occasioned much favorable comment. The merry-go-round and the slippery slide were all the go, but the mecca of the crowd was the vaudeville show, which seemed to meet the approval of the audience, although things did not run as smooth as was expected. Same will be remedied tonight, and a much better show is promised. The Lamonts do a very clever singing and banjo act, the lady having a particularly good voice. Madeline Diston's songs went very good, but the audience wanted to see their old friends, "Seeker, Wilkes and Company," and they were greeted by a hearty round of applause on their appearance. "Lew" is still the same funny fellow as of old, and they have gotten together a very clever act, which ends with a "Zulu finish" that sends everybody home in a good humor. If you want to spend an enjoyable hour or so, go to Beechwood tonight.

A HERMIT NATION.

Hon. C. L. Sallee, Chairman, and Mr. A. M. January, Secretary, of the Home-Coming Board, have, during the past two weeks, sent out several thousand invitations to ex-citizens to visit their old home during the gala week. Both gentlemen are now scratching their heads and are in the middle of the biggest kind of a fix. They are receiving in their daily mails dozens of fulsome replies, accepting the invitations. Among other things writers that say that they are anticipating great pleasure in being the personal guests of the two above named gentlemen—being their personal guests is what is bothering them.

DEEDS, NOT WORDS.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For Maysville kidney sufferers, Have made their local reputation.

Proof lies in the testimony of Maysville people who have been cured to stay cured.

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. Jas. Wood & Son's Drugstore, and they stopped an attack of backache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciated the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

For sale by all dealers. Price 50 cents a box; Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

The Finance Committee of the Mason County Home-Coming is delighted with the subscriptions made by merchants, business men and citizens of Maysville, but greatly disappointed over the lack of subscriptions from residents of the county. It should be borne in mind that this is not an affair of Maysville alone—it is for the reception and entertainment of the Home-Comers of Mason county as well,—and that provision be made to welcome, to feed and to entertain every visitor as becomes true Kentucky hospitality, the Committee asks the generous help of all. If you have not already done so, send your check or cash contribution to MILLARD MERZ, Chairman of the Finance Committee, so you may be credited with having done your part toward the success of this splendid occasion. However small your gift, it will be appreciated.

The Postmaster General has under consideration the suggestion to place the likeness of John Paul Jones on one of the next series of United States postage stamps. The suggestion was made to Mr. Cortelyou by a naval officer, who stated the fact that the United States Navy, whose achievements present an unbroken line of victories, had had but scant recognition at the hands of the Postoffice Department. The likenesses of famous men have been placed upon postage stamps, but up to 1902, only one representative of the Navy had ever been recognized for a place upon the United States postage stamp, that one being Commodore Perry of Lake Erie fame, and he thought that it would be most appropriate at this time to honor John Paul Jones.

Than ever before. It may be due to our splendid offerings; it may be that others are selling less. It is hard to get by that dependable H., S. & M. for men or that mother-admired line of Ederheimer-Stein (extra good) for boys. Each line, by individual character and respective merit, wins customers, and ours is the only store in Maysville where they may be found. INTEREST IN THE WHOLE FAMILY—In selecting our stock we stopped only when a most exacting taste was satisfied in styles and fabric, while the garments here and there are strengthened and fashioned by the tailor's needle where machinery has not yet caught the cunning of the hand. Neither time nor pains were spared in selecting, and in selling we will act the same. WE WILL FIT YOU—the child, the youth, the man, from infancy to old age, in a style becoming to each and in a manner pleasing to mother, sister or wife. Same price to you as to your neighbor—one treatment to all.

RURAL ROUTE BOXES

After July 1st Must Show Signs of Having Mail Therein

On and after July 1st, 1906, patrons of the rural delivery service will be required to display signs on their boxes when they leave mail in them for Carriers to collect, as, after that date, Carriers, when serving their routes, will not be required to open and examine any mail boxes except those to which they have mail to deliver and those on which signals are displayed to indicate there is mail for Carriers to collect.

Those patrons whose boxes are not provided with signals must attach thereto some device which, when displayed, will plainly show passing Carriers there is mail to be collected. It is not necessary that such device shall be either complicated or costly; a very simple arrangement will answer the purpose.

Carriers must lower the signals on boxes after making collections, provided no mail is left therein; and must display the signals when they deposit mail for patrons, unless patrons have made request to the contrary.

The Carriers must be instructed to promptly inform patrons of their routes with regard to this order, and Postmasters should use such other necessary means for informing them as will secure a complete understanding and full compliance by all patrons on the date mentioned.

Much time is lost by Carriers on rural routes in stopping to open every box on the route, whether it is indicated that mail is inside or not. Many of the boxes are crude, home-made affairs, and do not have the regulation flag.

From July 1st on, according to the order, Carriers will not be required to open boxes where no signal is displayed, unless they have mail to deposit.

The order is general and affects the whole country.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of Eczema—Instantaneous Relief By Cuticura—Little Boy's Hands and Arms Also Were a Mass of Torturing Sores—Grateful Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

"In reply to your letter I write you my experience, and you are privileged to use it as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble.

"In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up; so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up on the mountain. Respectfully, Mrs. Lizzie Vincent Thomas, Fairmount, Walden's Ridge, Tenn., Oct. 13, 1905."

Complete External and Internal Treatment for Every Humor, from Pimples to Scrofula, from Itchiness to Aps, consisting of Cuticura Soap, 25c; Ointment, 50c; Resolvent, 50c; in form of Chocolate Coated Pills, 35c; per vial of 60, may be had of all druggists. A single set often cures the most distressing cases when all else fails. Potter Drug & Chem. Corp., Sole Props., Boston, Mass.
